

Association of International Education Administrators
Leaders in International Higher Education

November 8, 2011

Dear Colleagues,

We are pleased to announce the opening of registration for the **2012 Meeting of the American Council on Education's Internationalization Collaborative**. As you may know, the Collaborative is a network of over 124 institutions that gathers each year to discuss pressing issues in the field of international education, share models of good practice, and connect with colleagues from across the nation. This year we are excited to be exploring a strategic partnership between ACE and the **Association of International Education Administrators (AIEA)**, who will co-host this meeting in conjunction with their own **2012 Annual Conference**. We strongly encourage you to consider participation in both events.

The theme of this year's Collaborative meeting is: ***The Collaborative Advantage: Exploring the Next Horizon in Global Engagement*** and the event information is as follows:

Saturday, February 18, 2012
J. W. Marriot Hotel
1331 Pennsylvania Avenue, NW
Washington, DC 20004

The event will feature:

- Presidential Perspectives from the **ACE Blue Ribbon Panel on Global Engagement**.
- Presentations from a diverse array of campus practitioners and faculty members who will share innovative approaches to issues raging from student engagement to international partnerships.
- A closing address from **Dr. Eduardo Ochoa, Assistant Secretary for Post Secondary Education at the U.S. Department of Education**.

Registration and hotel reservations for both the ACE Internationalization Collaborative and the AIEA Annual Conference are available (separately and as a package) through the [AIEA website](#). NOTE: Those wishing to participate in BOTH events must complete the registrations for each meeting, but single event registrations are also available.

Again, we hope that you will join us for both of these exciting events. You should feel free to contact ACE Senior Program Specialist for International Initiatives, Jarred Butto, with questions or for further information (jbutto@acenet.edu or 202-939-9453).

Sincerely,
